

Private Equity Associate (m/f/x)

Who we are

Paragon Partners is an independent private equity firm based in Munich and focused on the German speaking mid-cap market.

Paragon Partners was established in 2004 by a team of experienced private equity professionals and is wholly owned by the three partners. The team is based in one central office in Munich.

Our investors are family offices, private individuals and institutional investors who share our investment philosophy. With currently € 1.2 billion under management and a newly raised fund of € 783 million Paragon Partners is looking to expand its team of currently 25 people.

The role

- Take on a significant role in all aspects of a transaction from deal origination to exit.
- Work across different industry sectors and all varieties of deal situations, analysis of diverse sectors and companies
- Responsible for financial modelling and due diligence workstreams, with a leadership position on financial and commercial analysis
- Work across the entire deal life cycle, including taking an active role in portfolio management and value creation initiatives

You are

- Passionate about the German Mittelstand and experienced in working with mid-cap companies.
- A highly analytical person with excellent financial skills, able to interpret financial data and affinity to modelling.
- Commercially savvy, able to take a balanced view on deal opportunities.
- An excellent project manager, who is able to form teams, set timelines and able to deliver measurable results.
- Keen on learning and to become a well rounded and responsible investor.

All the above is reflected by your excellent academic degree, cross-border experience and extracurricular activities.

What we offer

You are part of an experienced and successful investment team, that is led by entrepreneurs and works with entrepreneurs.
